Thursday, Friday, Saturday  
9:00 am to 5:00 pm;  
Sunday 9:00 am to 3:00 pm

**LOCATION**

La Quinta, 155 Day Island Road  
Eugene, OR 97403  
541-344-8335

**REGISTRATION**

\$850.00. Retakes \$400 - after 2 years: \$600  
Payable to Patricia Kortekaas P. T.

**INFORMATION**

(Includes course manual, snacks in the morning and afternoon)

Full tuition is due by December 15th, 2012. A minimum \$200 deposit is required to reserve a space in the course. Refunds minus \$50 are given if cancellation requests are received 14 days before the course date. No refunds are granted after that date unless the vacancy can be filled. If the course is cancelled a full refund will be given.

A 4-day intensive tutorial in the diagnostic and therapeutic application of *functional (indirect) techniques* as applied to the cranial, cervical spine and lumber pelvis area of the canine/feline.

These techniques use the principles of motion testing, inherent tissue motion and motion in relation to the restrictive barrier. Lecture, demonstration and hands-on applied practice of the techniques for the various regions will be given. Emphasis will be placed on palpatory skills.

This tutorial addresses evaluation of:

- Spinal mechanics & Atlas-Axial joint mechanics
- Understanding the diaphragm mechanics and impact
- Basic Cranio Sacral Techniques
- Basic vascular techniques
- Autonomic Nervous System
- Sequencing principles
- Neuro Integrational Patterns (NIP) - gait
- Class available for Veterinarians, Vet. Technicians, Physical Therapist and other health care providers

Approved by Oregon and Washington Veterinary Licensing Board for CEU's.
